

WAITING FOR THE DAWN ESPERANDO EL AMANECER

Después de recibir una carta de embargo, Inti intenta conectarse con su hermano Lux, que vive disfrazado de fantasma y deambula por las habitaciones vacías en silencio. Inti buscará la forma de volver a hablar con su hermano, apelando a los recuerdos de su infancia.

After receiving an embargo letter, Inti tries to connect with her sister Lux, who lives disguised as a ghost and wanders through the empty rooms in silence. Inti will find a way to talk to her sister again, appealing to the memories of her childhood.
