

PSYCHOPHANY PSICOFONÍA

Salvador (36) escucha parte del contenido de una cinta de psicofonía, incrédulo decide ir a la casa de Los Moros y entrar. En el lugar no se observa nada extraño, pero a medida que escucha y avanza se dará cuenta de que no se encuentra solo.

Salvador (36) hears part of the content of a psychophony tape, incredulous decides to go to the house of Los Moros and enter. Nothing strange is observed at the site, but as he listens and advances he will realize that he is not alone.
