 DRAMA - THRILLER

Masha se muda a la casa de su abuela junto con su madre, Elisa. La familia actúa como si el padre de Masha estuviera muerto. La convivencia entre estas mujeres provoca un delirio en torno a la presencia de un hombre dentro de la casa que nadie ve.

Masha moves to her grandmother's house, alongside her mother Elisa. The family acts as if Masha's father is dead. The coexistence between these women triggers a delirium around the presence of a man inside the house that no one sees.
