## CHILE: UN PAÍS SE IMAGINA

SPANISH | CHILE , FRANCE | 90'  
 POLITICAL - HISTORICAL

Gracias al acceso sin precedentes a nuevas figuras políticas clave, vemos cómo Chile llegó a votar a un progresista proceso constitucional y rechazar la propuesta resultante. Una crónica íntima de cómo operan las políticas de la posverdad.

Through unprecedented access to key new political figures, we see how Chile came to vote for a progressive constitutional process, only to reject the resulting proposal. An intimate chronicle of how post-truth politics operate.

DIRECTED BY  
**MIGUEL SOFFIA**
