## DESCONECTADOS

SPANISH | CHILE , USA | 104'  
COMEDY

Victoria, una madre separada, sufre una grave dependencia de internet. El día que una tormenta solar destruya todos los satélites geoestacionarios de la Tierra, deberá aprender a sobrevivir desconectada de internet y a conectarse con sus hijos.

Victoria is severely dependent on the internet. The day a solar storm destroys all of Earth's geostationary satellites, she must learn to survive offline and connect with her children.
