SPANISH | CHILE | 60'
 ESSAY

A partir de archivos familiares, el director indaga en las motivaciones de su familia para emigrar a Israel en 1970, así como en las razones para volver a Chile. El film propone una reflexión crítica sobre los conceptos de país, memoria e identidad.

Using family archives, the director investigates his family's motivations for emigrating to Israel in 1970, as well as the reasons for their return to Chile. The film poses a critical reflection on the construction of the State, memory and identity.
